2020 ANNUAL REPORT

ZONTA CLUB OF ADELAIDE INC

MEMBER OF ZONTA INTERNATIONAL EMPOWERING WOMEN THROUGH SERVICE & ADVOCACY

OUR MISSION

Zonta International is a global organisation of professionals empowering women worldwide through service and advocacy.

OUR VISION

Zonta International envisions a world in which women's rights are recognised as human rights and every woman is able to achieve her full potential.

In such a world, women have access to all resources and are represented in decision making positions on an equal basis with men.

In such a world, no woman lives in fear of violence.

ABOUT THE ZONTA CLUB OF ADELAIDE

The Zonta Club of Adelaide is part of Zonta International, a service organisation empowering women through service and advocacy. Zontians in District 23 (Northern Territory, South Australia, Tasmania, Victoria and Western Australia) support a range of service projects and awards at the international, district and club levels to help women in Australia and overseas.

As a service club, our committee structure ensures that all members can gain a real sense of belonging, develop lasting friendships and have an opportunity for networking.

The club aligns itself with the aims and objectives of Zonta International which are:

- To improve the legal, political, economic, educational, health and professional status of women at the global and local level through service and advocacy.
- To work for the advancement of understanding, goodwill and peace through a world fellowship of members.
- To promote justice and universal respect for human rights and fundamental freedoms.
- To be united internationally to foster high ethical standards, to implement service programs, and to provide mutual support and fellowship for members who serve their communities, their nations and the world.

ZONTA CLUB OF ADELAIDE 2020 ANNUAL REPORT

The 2020 Annual Report of the Zonta Club of Adelaide Inc reflects the performance and financial statements for the period 1 April 2019 to 31 March 2020.

Content is based on reporting from club guidelines, committees, feedback from members and through supporters of the club.

This Report is available online at **www.zontaclubofadelaide.org.au** and hard copies can be obtained by contacting Program/PR Committee on 0419 811 609.

PRESIDENT'S REVIEW

Advancing the Status of Women Worldwide through Service and Advocacy

President Wendy Bruce

The 2019-2020 Zonta year has been a rewarding and challenging time. We can be proud of our club and its achievements. All of our committees have stayed focussed on our core business – improving the legal, political, economic, educational, and health status of women and girls both locally and internationally and in doing sowe have raised the profile of Zonta.

Locally we have continued to support girls' education through our secondary school scholarships at Mitcham Girls and Adelaide High Schools and at an international level through our fundraising efforts we have contributed to improving girls' educational opportunities in Madagascar.

We also began our first foray into developing girls' leadership skills by partnering with the YWCA to deliver the *She Leads High* program for girls at the two aforementioned schools.

At the tertiary level we awarded the inaugural University of South Australia Community Development Grant to a student researching the effects on children who have been removed from domestic violence environments and at the international level through our fundraising have assisted women pursue careers in aerospace, business, public affairs and technology.

At the international level we have supported vulnerable and refugee women in Jordan, and the elimination of child marriage. This nexus between local and international activities is important as it puts us on both an international and a local stage as members lobby and contribute to discussions with august bodies such as the United Nations and locally with state governments and peak bodies such as the National Council of Women.

We have continued to advocate against gender based violence against women through the 16 Days of Activism campaign and submissions to government in relation to Domestic Violence, Homelessness and the Decriminalisation of Sex Work. Our hands-on service to women has continued to be a central part of our work.

With the help of our Silent Sewers partners we were able to deliver 670 Breast Cushions to St Andrew's Hospital.

We added Immanuel College to Adelaide High School and Seymour College as partners in our Birthing Kits project and with their help produced 2400 kits which help to produce safe birthing environments for women in third world countries.

On two mornings a week members volunteer at the Eastern Adelaide Domestic Violence Service packing and delivering food courtesy of OzHarvest and Bakers Delight and working in the used clothing shop.

Our membership has remained healthy with the addition of five new members and the return of another. We hope this continues.

The challenges have been exacerbated by the corona virus and its impact on our club and its members. We were unable to meet our fundraising target and this will be even more difficult in the coming year. This means that we will need to reassess our project priorities in the immediate future.

We will also need to look at the way we do business. We have already begun to do that by moving increasingly to an online presence and by conducting meetings remotely. We will need to extend our thinking and become more creative about our projects. I am sure that we will rise to this challenge.

My thanks go to the Board for their support and advice, to committee chairs for their untiring work and to all of our members for their commitment to the club and to being part of a world wide fellowship of women supporting other women.

COMMITTEE REPORTS

SERVICE

Our aim is to be involved in club projects as well as supporting the activities and aims of District 23.

We have not only had the support of our committee members but many club members have been involved in a number of the successful projects that we have undertaken this year.

> Mary Burford Coordinator

Breast Cushions

This year with the help of the Silent Sewers (a group of friends set up by Dymphna Sprod who sew the cushions four times a year) we delivered 670 cushions to St Andrew's Hospital.

About 20 people meet at a designated home and sew the prepared cushions ready for packing. The next day Zonta club members meet at Ivanka Jovanovich's home to pack the cushions and then deliver them.

We are very grateful to Dymphna for organising her group because this is the only way we can produce enough to cope with demand at St Andrew's.

Ivanka has a number of people who help in the preparation of the cushions; Vesna who cuts the cushions; Eleanor who turns and sews the ends of the straps and Kathleen who is involved at many stages of the work. We couldn't do this project without them so we say a big thank you to all involved.

Ivanka and Angela Vandellis attended the St Andrew's Breast Care Luncheon on behalf of our club where we were able to mount a display about Zonta and the work we do. We received a number of donations from participants at the event who also expressed their gratitude for our work. We are grateful for any help to defray the mounting costs of the materials used.

We were very pleased to be invited to Ashbrook where Jennifer Stehn is a resident for afternoon tea. She had organised this event with the craft group to give us the opportunity to talk about Zonta International and the work that we do locally.

Alison Menaud from the Eastern Adelaide Domestic Violence Service Domestic Violence Service where we volunteer also attended to give the residents an insight into the domestic violence problem in Australia and in Adelaide in particular.

Birthing Kits

We have been able to support the assembly of four birthing kit workshops this year. In June we held an event at Seymour College where mainly Year 8/9 students supported by Senior Leaders prepared 600 packs. In September we held a similar workshop at Adelaide High School

The Year 12 students at Seymour College conducted a Birthing Kit workshop as their contribution to the school in recognition of their years at the school.

In December we were asked to help Immanuel College conduct an assembly day. A group of our members volunteered their time and again completed 600 packs.

We are grateful to the staff and students of all these schools who are committed to helping women in developing countries overseas.

Eastern Adelaide Domestic Violence Service

We have continued to support this service and we are acknowledged as a very valuable service in the community. Both of our two teams of members have worked hard to ensure that the women at the shelter and those living in the community benefit from our work.

A team of four delivers bread to the clients in the 11 units and then packs the bread for clients attending the group activities at the centre on Wednesday. We then work in the donations shed to sort the clothes and serve the clients who love "shopping" at the shed.

We are at times almost overwhelmed by the amount of clothes that we receive but the turnover can also be very quick at times.

The Wednesday team pack and distribute food supplied by OzHarvest both to the resident clients and often more importantly to the people housed in motels waiting for a place in the shelter. They are often asked to deliver the packs to the motels which they are more than willing to do to save the staff having to do this task. We again helped the Centre staff to prepare for Christmas but the Christmas party had to be cancelled due to the hot weather. The families still received their presents but missed out on seeing Father Christmas.

We are again in the process of renewing our clearances to work with children and vulnerable people. This is yet another new process but once completed will last for five years. The club's contribution to this project, although varied and often quite onerous, is valued by the staff and clients.

Our thanks are extended to all the Service Committee members who contribute in a variety of ways and to the club members who also helped us to achieve positive outcomes

for our committee and the club.

ADVOCACY

All members are committed to Advocacy and Service

Kaye Roberts-Thomson Erica Majba Joint Coordinators

Advocacy is one of the two major foci of Zonta clubs around the world. The other, of course, is Service. We exist to advocate for changes in attitudes, actions and laws that discriminate against women. The Advocacy Committee of the Zonta Club of Adelaide is a group of enthusiastic and committed women.

The Advocacy Committee continued to work to support Club members' advocacy work in 2019/2020, both as individuals and as a club.

The difficulty is that there are multiple issues requiring our input and selecting ones of highest priority and within our capability is a challenge.

The priority areas for the work of the committee have been advocating for ways to reduce domestic violence through educational programs such as Respectful Relationships and 16 Days of Activism, homelessness among older women, and developing programs to promote leadership among young women.

Specifically members made contact with Catherine House and made a submission to the YourSay Website on the issues related to homelessness among older women.

Campbelltown Council used flyers adapted from those seen at the Centennial Anniversary Conference listing contact details for assistance for victims of domestic violence during 16 Days of Activism. Members participated in the march on White Ribbon Day.

Support-in-kind for the Women's Centre recommenced following an interruption due to management issues.

Unfortunately the application for a Zonta Centenary Grant from Zonta International for She Leads, a collaborative project with the YWCA, Mitcham Girls' High and Adelaide High School was unsuccessful. Nonetheless, the project proceeded successfully with support from the Advocacy, Awards and Membership committees. The sessions were held on a roster at both schools and graduates of the program presented at a Club meeting.

We presented and participated in Advocacy segments at many club meetings.

Advocacy Committee members organised a successful fundraising event at Mitcham Girl's High. This was a Vintage Parade with clothes of the 60s and 70s in a great environment. It was a fun filled occasion.

NATIONAL COUNCIL OF WOMEN SA

The Zonta Club of Adelaide has been a long time member of the Council and over the years has had many different representatives. Each organisation is entitled to two members and this year it has been Bev Gum and Wendy Bruce.

It is a privilege to be part of an organisation that has been representing the views of women since 1902. Over the years many of SA's notable women have been on the Council and this has continued up to today. NCWSA has the opportunity to represent all women's organisations views and this is a powerful voice in making life better for all women.

Some of the more recent activities have been the awarding of the Lady Moulden Award to a young woman who has made a difference to her community. Oher events of interest are the seminars that highlight achievements of women. The most recent was titled "Everyday Heroines" where different women including a year 9 student spoke of their visions for the future.

We have a voice on the Partner network against Domestic Violence and Embolden and regularly respond to legislation affecting women. These include Wicked Campers, Disclosure for perpetrators of DV and Homelessness.

MEMBERSHIP

Maxine Panegyres Coordinator

The membership committee monitors club numbers, meets with prospective members and arranges opportunities for them to gather information about Zonta International and club activities. We also plan fellowship activities where possible and the club calendar allows.

New Members

During the last year the club welcomed five new members.

Jill Nettle de Barrientos was inducted in May after attending meetings from the latter part of 2018. Jill was working as a Manager, Business Support – Skilled Migration Program Delivery SA at induction but has since changed to

supporting the management of grants within government. Jill contacted us via our club website.

Leanne Longfellow joined us in June after completing her PhD studies. We were pleased to welcome Leanne after she had attended meetings over a period of years, but was unable to fully commit to Zonta. Thank you to Anne

Milne for introducing Leanne to Zonta.

In October we welcomed sisters Helen and Tasia Pertsinidis who were introduced to the club by Bev Gum.

Helen is currently a carer studying Librarianship after a career as a practising Barrister at Law.

Tasia is a journalist and we thank her for utilising her skills as soon as she joined the club, to report on our guest speakers for the Zephyr.

Sue Watchman first contacted the club via our website in late 2018 and had attended many meetings before she was able to join us in November. Sue is a lecturer/ program coordinator with Family

Youth Community services business unit TAFESA and has much experience in setting up and managing not for profit organisations.

Returning Member

Andrea Roberts officially returned to the club in May after attending many meetings during the year as well as volunteering weekly with other Zonta members at the Eastern Adelaide Domestic Violence Centre Andrea

joined the new Board and has made a valuable contribution in the past year.

Quiet Members

Millicent Hughes, our longest serving member, has been unable to attend meetings but maintains an active interest with club matters and provides feedback where possible.

Deb Lodge while not attending meetings due to ill health, has contributed to club fundraising through the sale of jams and preserves since the beginning of 2020 and we thank her for that.

Acknowledging Years of Service

At the Combined Districts Conference held in Brisbane in September 2019, the following members from our club were awarded pins for their years of service to Zonta:

Millicent Hughes	45 Year Pin
Helen Joraslafsky	35 Year Pin
Aileen Connon	30 Year Pin
Erica Majba	30 Year Pin

We congratulate those members for their outstanding and continuing years of service to Zonta. Other long standing members received their pins at the previous District Conference in Geelong.

Fundraiser

Membership combined with the Awards Committee to present a musical afternoon on October 20th October at Carclew.

Dr Gabriella Smart provided the audience with an insight into early colonial pianos which was part of her doctorate of the period. The audience was exposed to unfamiliar music and her unique pieces. This led to many conversations afterwards about different music styles and admiration for her great talent.

Both committees plus other club members, once again worked tirelessly to set up the room, provide food and drinks for refreshments, sell raffle tickets and generally ensure that the afternoon was successful and we thank those people for their contribution. We thank Carol Summers for organising Gabriella's participation in this event.

Musical Afternoon

Prospective members

We continue to attract requests via the club's website for information about joining the club. Since April 2019 I have responded to eleven emails about the club and prospective membership. There is obviously continued interest to find out about Zonta.

The responses to these emails for information about Zonta include details about guests being invited to attend meetings, fees and processes for joining. While not everyone follows through to attend we believe it is useful to inform possible attendees about the club.

Those prospective members who attend club meetings are invited to a coffee meeting with one or two membership committee members to discuss how they feel about joining the club after attending three dinner meetings. This has been a positive experience as we can discuss club structures, how we operate and club projects in which prospective members may be keen to participate.

We encourage all club members to invite guests from different professions and careers to attend club meetings and other activities with a view to possible membership. Diversity of experience and profession contributes to the wealth of club knowledge and expertise which can only make the club stronger. It was most interesting to hear about the herbal remedies that we take for granted now, attributed to those earlier times.

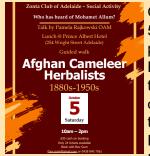

Pamela provided us with the history of the Cameleers coming to SA, the social context of the times and the establishment of many businesses developed in that corner of the city.

Pamela led us on a tour after lunch, pointing out many significant places such as the mosque that was established, shops and houses that were significant and some that still are. She also took us to the West Terrace Cemetery pointing out the burial sites of the cameleers and their families and their unique orientation.

It was great to have members, friends and other Zonta club members attend and enjoy the experience. Many thanks to Aileen Connon for organising the event.

Fellowship Activity

On Saturday October 5th approximately 20 people gathered in the Prince Albert Hotel in the south west corner of the city of Adelaide to hear Pamela Rajkowksi OAM, talk to us about the

significance of the Afghan Cameleer Herbalists and their contribution to the state from the 1880s to the 1950s.

Thank You

Many thanks to the membership committee for our meetings during the last year to discuss, plan and provide feedback to the Board about issues as they arise. I have valued their considered opinions and approaches which are well thought through and practical when it comes to membership issues for the club.

Committee

Val Baldwin Aileen Connon Bev Gum Raema Mahony AWARDS

Awards are designed to help women overcome gender barriers to careers in traditionally male-orientated fields.

Raema Mahony Coordinator

This has been a mixed year with the committee welcoming an awardee of a new scholarship and having to recommend some club cuts to other scholarships. It has been an honour to work with this group of club members who have come together to discuss and find solutions to some difficult issues.

University of South Australia Community Development Grant

Our club welcomed our inaugural University of South Australia Community Development Grant awardee Kelly Cramp a Social Work Honours student, to two club meetings. Her research was on the topic of "The Removal of Children in Domestic Violence- a Service Providers Perspective". Kelly, as a mature aged student with two young children, commenced university studies to improve her job prospects, prove to herself she could achieve at university and provide a role model to her children. Her research and exposure in the child protection field resulted in her obtaining First Class Honours and employment in this field, where she will continue research on the impact of domestic violence on children.

The Awards committee representatives attended the University of South Australia

Selection Committee for the Grant in April to choose our 2020 awardee.

Our club established strong ties with this university when developing this grant and the university now promotes this scholarship and Zonta International scholarships on its website. Our committee member Margaret Peters has attended the university to discuss this grant and its criteria with the relevant faculty Honours and Masters students and their supervisors.

School Scholarships

The committee when reviewing its scholarship commitments with the schools realised that the club had no formal agreement with both Mitcham Girls High School and Adelaide High School. As a result communication was commenced with key school staff and a new contract agreement was signed by the schools. A meeting with the Adelaide High School Principal and our club member representative resulted in a useful sharing of the scholarship criteria and ways to further strengthen our relationship. The school scholarship holders for 2020 are:

Mitcham Girls High School

Saskia Walsh Yr 12 / Elizabeth Davies Yr 11 Adelaide High School

Michelle Do Yr 12 / Trinity Lomas Year 11

She Leads High Course

Our club, Adelaide High School and Mitcham Girls High School committed financially to the cost of conducting a She Leads High course for 20 girls, which was held in August and September 2019. Members of the Awards and Advocacy Committees contributed to the design of the She Leads High course which was eight weeks long with half the sessions held at each school. Committee members provided afternoon tea and attended the final two sessions at each school. They joined the discussions where appropriate. During the course, members were able to observe the development and improved confidence in these young women. A graduation ceremony was held at Adelaide High School and a few of the girls discussed the value of the course at our November club meeting. The young women who attended this November club meeting spoke of the increased confidence they had gained from attending the course that enabled them to speak up or try new challenges. This was a valuable partnership between our club, YWCA and the two schools with each partner keen to run a similar course using the same model in 2020 without the need for funding.

Piano Recital with Dr Gabriella Smart

The Awards Committee partnered with the Membership Committee to organise our third musical fundraising event. This year it was a different venue, Carclew House, which worked out to be an appropriate place for a

piano recital and the hire of this venue was modest.

An audience of over 80 attended with refreshments provided by our busy committee and club members. Dr Gabriella Smart performed contemporary pieces from her Doctorate before leaving Australia to take up a music residency in Paris.

External Scholarships

The committee assessed and recommended applicants for Zonta International: Young Women in Public Affairs and Women in Technology Scholarships. The International Women's Day Luncheon Awards which Ivanka Jovanovich and Beverley Newberry attended.

The committee continues to promote the Young Women in Public Affairs with our school partners, UN Youth and the universities as well as the other international scholarships.

This year, I was a member of the District Jane M Klausman Women in Business Evaluation Committee to select the District 23 awardee. It was a rewarding experience to be involved in a District selection process.

Reduction in Scholarships

The challenge for the Awards Committee this year was the possibility of reduced club finances in 2020 and the impact this will have on current projects and scholarships.

A special meeting was held where the Awards Committee came up with various options for the Board to consider, if the club experiences further financial restraints and needs to reduce its commitment to some awards and scholarships.

The contract with the University of Adelaide Zonta Honours Scholarship expired in 2019 and discussions had commenced about signing a new contract. The Awards Committee recommended to the Board and club to postpone this scholarship in 2020. It also examined the Gender Prize with this university and decided to cease funding this prize, due to changes in the subject in recent years within the university faculty.

A further scholarship was reviewed and the club voted to no longer fund the Zonta Aboriginal Scholarship. This scholarship was available to one Aboriginal girl in Year 10 or Year 11 or Year 12 attending one of the 5 high schools in the DECS Mt Barker Region. The scholarship commenced in 2018 after lengthy discussions with the Regional Director and Regional Aboriginal Worker and was set up as a trial to explore the interest and demand for the scholarship. It had limited support from the schools and few applications in this year.

Some further fine tuning of the criteria was undertaken for 2019. Unfortunately there was further limited uptake from students and the schools in 2019 and this was not awarded. In view of the lack of interest in the scholarship and our club's tight finances the club on the recommendation from the Awards Committee decided to no longer award this scholarship.

2020 New Chairs

I would like to thank the Awards Committee for their support for the last 4 years for my role as Awards Chair. I am pleased to be handing over this role in the next few months to co– chairs Margaret Peters and Leanne Longfellow.

Both their experience in the university and schools sector will be invaluable to this committee. The extensive work of the committee and my role could not have been performed without the great support from our Awards committee:

DINNER SPEAKERS FOR THE YEAR

<u>April 2019</u> Magistrate Liz Sheppard

An inspiring and enlightening speaker who is a remarkable communicator with the ability to describe her role, in the light of being a woman in a world that presents many challenges.

<u>May 2019</u> Member: Maxine Panegyres

Our club's Vice-President, has lived a life steeped with the best of two worlds. The strong entwining of both Greek and Australian cultures has grounded Maxine in the richness of family life and a strong cultural heritage, along with strong beliefs of social justice. June 2019 Sue Sheridan Emeritus Professor Humanities and Social Services at Flinders University

Susan is an author and spoke about her book "Who Was That Woman?, which focused on the depiction of ordinary Australian women over the post war period from 1946-1971. She gave us a fascinating talk and a satisfying journey through the lives of these women during a period so rich in social change.

<u>July 2019</u> Jane Mussared, COTA SA

Jane marvellously described COTA as an organisation which is a movement of older people, run by older people, for older people, with older people.

<u>August 2019</u> Julia Peterson Coach, Family by Family

Julia has worked for Family by Family for many years and has had a commitment to caring most of her adult

life, including working in orphanages in Nepal. Her role is as a Coach in training people to work with others. Coaches also talk to children about being change makers. Last year, the program supported 170 families.

<u>September 2019</u> Members: Daina Long and Stephanie Steensma

Club members Daina and Stephanie provided our club with an insight about their careers and personal lives. Their stories were told clearly and enthusiastically received, which reinforces Zonta's theme by members who have carried this action throughout their careers.

<u>October 2019</u> Fiona Dorman National Council of Women SA

Fiona spoke passionately to the club about her role with the NCWSA and her outside activities where she has researched women's under representation in leadership roles. Fiona believes it is important that women stand together, to create "a village that supports the work women do". Fiona also said that the work she is doing on the NCWSA could not exist without the Zonta Club of Adelaide.

November 2019

She Leads Girls from Adelaide High School and Mitcham Girls High School

Four girls from AHS and MGHS spoke about the She Leads Program sponsored by the Club to help women gain skills in assertiveness and leadership. All the girls said they were honoured that they had been part of the program and were able to tell us about their roles.

<u>7 December 2019</u> Christmas at Pine View Speaker: Francis Bedford, MP

Members attended their Christmas lunch at Pineview Village. Jenni Thomson again delighted us with her efforts in organising this annual event, with the help of President Wendy Bruce. She was dressed in period costume and spoke about the suffragette, Muriel Matters.

February 2020 Member: Sue Watchman

Sue spoke about her not for profit sector as a manager and highlighted a program which became a huge success for

people with dementia, which attracted millions in Federal Government grants that were so sorely needed.

<u>March 2020</u> Bronwyn Killmier South Australian Commissioner for

Victims' Rights

Bronwyn has been CFVR in SA since 2018, after a career including SA Assistant Police Commissioner, working in criminology, profile training with the US FBI, work in the Australian Criminal Intelligence System and Counter Terrorism. She said her duties involved both challenges and rewarding situations. As Bronwyn said she has a great interest in the plight of victims having constantly dealt with victims of crime and their children.

DINNER VENUE

We have continued with our dinner meetings at The Lion Hotel. The venue is suited for our purposes with ample room for members, guests and display material. The dedicated staff are always happy to help us in any way they can.

NEWSLETTERS

Monthly newsletters assist members to be kept informed of Club activities during the previous month. This enables all members to be kept fully aware of our club's activities. As editor of the Zephyr and Annual Report, I would like to thank members who contribute towards making this function a rewarding experience. Thank you to Wendy Bruce who does a great job in reviewing reports, Gerry Sanderson and Tasia Pertsinidis for writing interesting guest speaker reviews for issue in the following month's Zephyr.

PUBLIC RELATIONS

The Committee recognises the importance of consistency in the club's presentation material. Brand identity quidelines from Zonta International are of great assistance in presenting our image. We continue to pursue the Adelaide media so that everyone can be informed of our strong and positive objectives, accomplishments, projects and events. This year it was a difficult situation as mostly all print material is organised interstate.

BANNERS

Our committee stores and reviews our banners which are used where applicable and for an opportunity to showcase the Club.

TREASURER'S REPORT

Erica Majba Acting Treasurer

Unfortunately, Treasurer Jennifer Stehn was unable to complete the year and prepare the final statements due to illness. Preparing the financial reports has been challenging but made easier due to the well-kept records maintained by Jennifer. I thank her for her efforts during the year and wish her a speedy recovery.

I am pleased to present the unaudited financial reports for the Zonta Club of Adelaide for year ended 31 March 2020. Due to the current world pandemic it may take some time for the audit to take place.

The club undertook a number of fundraising activities during the year to support our program of projects. Our final activity, the annual Quiz night did not take place due to the cancellation of public events in response to the COVID-19 virus. The club did however receive some donations from early sales of tickets.

Thank you to all the committees and individual members who contributed to raising these funds. This has enabled us as a club to support the following projects and programs:

Zonta International Foundation Breast Cushions Birthing Kits She Leads Project Adelaide High School Scholarships Mitcham Girls High School Scholarships University of South Australia Community Engagement Award Domestic Violence service Our club's contribution to Zonta International to support our global projects was \$7,032.83. This amounts to one third of funds raised the previous year. In 2019 the club supported the following international projects:

Quiz night donations	\$165.00
Amelia Earhart Breakfast	\$917.97
Piano Concert	\$2,802.00
Vintage Fashion Parade	\$2,426.00
Awareness Day	\$105.42
Community Lottery	\$2,103.00
Sausage Sizzles	\$2,357.14
Rose Cards	\$48.00
Rugs with Love	\$545.00
Women's Community Centre	\$45.00
Market	\$1,894.50
Less expense Concert 2018/19	(\$356.00)
	\$13,053.03

International Service Fund	\$3,165.77
ZI Strategies to end Violence	\$1,772.83
Against Women	
Young Women in Public Affairs	\$1,013.
	05
Rose Fund	\$379.89
Amelia Earhart Fellowship	\$701.29
(100% of breakfast funds)	
	\$7,032.83

The bank balance at the end of the financial year was \$11,452.60, this was split between Administration \$6,558.10 and Fundraising \$6,401.52. This compares with a bank balance of \$24,412.22 the previous year.

Both Fundraising and Administration were significantly lower this year. However, our Administration activity for the year was much healthier than the cash balance shows, as it was strongly affected by receipts and payments from the previous year.

Receipts received in advance included: membership fees \$1,540 and sale of tickets for the Birthday Dinner \$7,102. In addition, club storage fees of \$1443 for twelve months were prepaid in the previous year. Carry over figures for next year will have less impact: with Membership fees of only \$220 received in advance and a small credit with District 23 of \$168.

The Fundraising Bank balance is always impacted by the contribution to Zonta International Foundation that relates to one third of the funds raised in the previous year. However the club raised \$13,289.38 in 2018/20 much less than \$20,257.39 raised in the previous year. This was largely due to no longer having sponsorship from Westpac and the cancellation of the Quiz night. This comes as no surprise as our Treasurer kept us informed throughout the year that we would need to make some changes going forward. As a result, the club decided not to continue with Adelaide University Gender Studies Prize and Zonta Aboriginal Encouragement Award. The club also voted to suspend the University of Adelaide Honours program for 2020 and agreed not take on any new projects in 2020/21.

The budget for 2020/21 needs revision to take into account the impact of the government restrictions but will be available as soon as the future is clearer.

I would like to thank the other members of the finance committee:

Carol Summers Andrea Roberts Helen Joraslafsky Jennifer Stehn

I wish the new Treasurer well and am available to handover the recording keeping systems and provide mentoring.

I also acknowledge the support from Barbie Joan Chiro, BJC Accountants who has agreed to continue to audit our books "pro bono".

ZONTA INTERNATIONAL

Zonta International is a leading global organisation of professionals empowering women worldwide through service and advocacy. There are over 29,000 members in more than 1,200 clubs in 65 countries and geographical areas. Zontians all over the world volunteer their time, talents and support to local and international service projects, as well as scholarship programs aimed at fulfilling Zonta's mission and objects.

Founded in 1919 in Buffalo, New York, USA, Zonta takes its name from the Lakota Sioux Indian word meaning "honest and trustworthy". Zonta International, its districts and its clubs are non-sectarian and nonpartisan.

Individual Zonta clubs extend membership invitations to local leaders in business and the professions. Zonta supports women's education and leadership through several programs. The Zonta International Amelia Earhart Fellowship Awards support graduate study by women in aerospace-related sciences and engineering. Since 1938, over US \$10.3 million has been raised to support more than 1,174 women representing 73 countries..

Zonta International, through its Foundation, also supports the Young Women in Public Affairs Awards designed to encourage women's leadership and careers in public policy, government and volunteer organisations. The Jane M Klausman Women in Business Scholarships support undergraduate study. Women in Technology was offered as a pilot program in 2019.

Zonta and the United Nations

The Zonta International UN Committee teams represent Zonta in New York at UN Headquarters; in Geneva at the UN Office and ILO headquarters; in Vienna at the UN Office; and in Paris at UNESCO. The teams ensure that Zonta's priorities are presented, and that the Zonta voice is clear in mission-related meetings at their respective sites. They meet and work with decision-makers from UN agencies and countries where Zonta has funded projects and/or where Zonta clubs reside. The current priority area of focus is the Sustainable Development Goals, which set the UN agenda for the next 15 years, concentrating on Goal 5 and areas that relate to women's empowerment. The teams also monitor and report on ongoing issues such as human trafficking, women's employment, human rights, the gender pay gap, and much more. Team members work in coalition with other like-minded organisations on issues of mutual concern, such as early and child marriage.

Every year, the Zonta International Foundation, a not-for-profit charitable organisation, provides more than US\$1 million for programs that benefit thousands of women around the world.

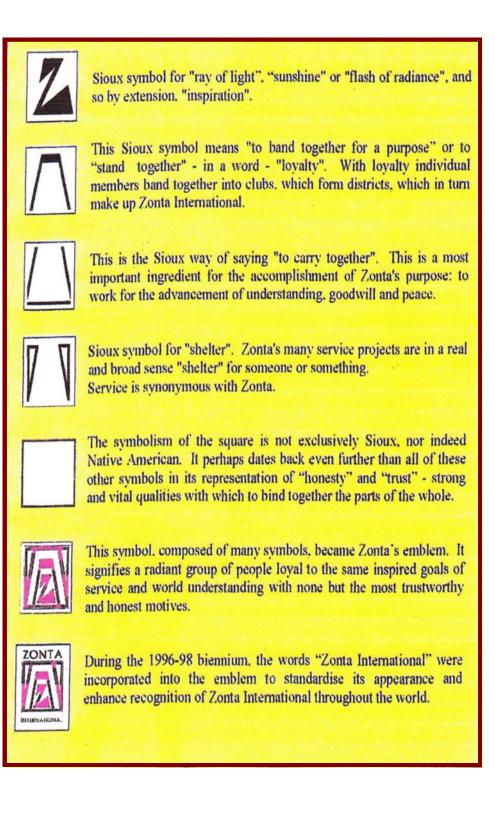

The goals for the 2016-2018 biennium were approved at Convention. These focus on key challenges and position Zonta as one of the main players addressing women's issues. Living up to Zonta's mission with **conviction**, **commitment and courage** and strengthening every single link of Zonta will ensure sustainability and long lasting impact in the lives of all women.

During 2019-2020, Zonta's international service projects and Zonta International Violence Against Women (ZISVAW) projects are:

- Eid bi Eid (Hand in Hand): Support to the resilience and empowerment of Syrian refugee and vulnerable Jordanian women
- Let us Learn Madagascar: An Integrated Program for Adolescent Girls.

EMBLEM

The Zonta emblem is derived from a number of Lakota Sioux Indian symbols
